

Term 3  
Oak Class Newsletter  
8th January 2018

## Welcome back!

Another term has passed and we're nearing the half-way point of the year. We are starting yet another exciting topic and are already well into our learning!

## Important dates

**2nd February**—Oak class assembly  
**8th February**—welly walk  
**9th February**—last day of term  
**19th February**—back to school  
**2nd March**—World Book Day  
**29th March**—CREATE assembly and last day of term

## Topic

We are beginning a new topic in Oak named 'Fire! Fire!' During the Spring Term we will be learning all about the Great Fire of London, Samuel Pepys and fire safety. In Science we are learning about everyday materials in which we will cover properties and names of materials, build Tudor houses and hopefully even burn them!

In Maths we will be looking at measurement. Under this, Oak will learn to tell the time, to count money, how to collect data and how to use rulers/scales.

Finally, our P.E. topic for this term is dance. The children will learn different ways of moving and how to create stories using only their bodies. Furthermore, they will be trying to represent fire through

The staff in the classroom are:

Miss Whitlock, Miss J and Mrs Charlton. We are also lucky to have Miss Hodgkins with us for the first week.

Miss J will be teaching 'Art-a-noon' every Thursday

## General information

Our P.E. lessons are remaining on Tuesday afternoons. Please make sure your child has a named P.E. kit in school **every day**. Due to the cold weather we are moving into the hall for this, but it can still be quite cold in there so they may still need warm clothing.

The children should also have a named water bottle in school—please make sure they are named as some children have the same bottles as others and it can get confusing!

Finally, as you are aware green treat will no longer be happening. Oak class will have show-and-tell every Friday and the children are welcome to bring something for this; however, they will not have a chance to play with any toys.

Please read as much as possible! Thank you.
