Our school policies are written with the objective of continuously improving our school and realising our school's vision:

Rolvenden Primary School is a small school that makes a big difference by providing a nurturing learning environment where every child matters. Our school's core values of CREATE: **Creativity, Resilience, Engagement, Aspirations, Teamwork** and **Enjoyment** encapsulates our ethos to enable every child to flourish, develop as an individual and CREATE a confident, life-long-learner and become a responsible member of the community and wider world in which they live in.

Rolvenden Sports Premium Statement 2017-2018

Sports Premium Funding 2017-2018: £16,890

Sports Premium Funding 2016-2017: £8,343

At Rolvenden Primary School we are committed to the Department for Education's vision for Primary PE and the use of the Sports Premium. As a school we desire for **all** our pupils to leave primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle and lifelong participation** in physical activity and sport.

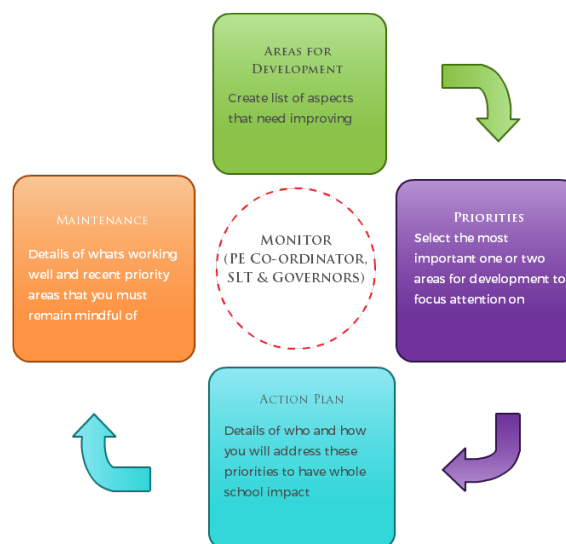

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important that the focus of spending must lead to long lasting impact against the vision (shown above) that will live on well beyond the primary PE and sports premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

The following model has been used to achieve self-sustaining improvement in the quality of PE and sport in our school. This has allowed us to evaluate and review the current needs and areas for development and how they are going to be addressed.

Section 1: Evaluation of impact / learning to date:

Questions and points to consider in the development of PE and school sports and the use of Sports Premium Funding

- Has a self-review of PE, physical activity and school sport been completed?
- Has a PE, physical activity and sport action plan been created with links to show how the Sport Premium is going to be spent?

- Is PE, physical activity and sport, reflective of your school development plan?
- Are your PE and sport premium spending and priorities included on your school website?

Breakdown of Sports Premium spending 2017-2018

The total amount of Sports Premium funding allocated to Rolvenden Primary School for the year **2017-2018** is **£16,890**, which is an increase on the amount allocated to our school last financial year. The Sports Premium is used for all children across the whole school from FS through to Yr6, no matter of the age, ability or eligibility to other additional funding.

Below is a breakdown of how the Sports Premium funding has been spent to best meet the objectives set out by the DFE:
