3.3 Financial Links to the School Improvement Plan

The School Improvement Plan has sufficient scope and depth of the financial implications and it is reflected in the school's three year budget plan.

3.4 Monitoring and Virements

Rolvenden Primary School recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Headteacher carries out a monthly internal monitoring procedure, copied to the Finance Monitoring Pair. A monitoring report is taken to all meetings of the Finance Monitoring Pair who reports, if required, to the Full Governing Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements may need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

- Virements up to £5,000 - The Headteacher, reported to the Finance Monitoring Pair
- Virements from £5,000 to £12,000 – The Finance Monitoring Pair
- Virements over £12,000 – The Full Governing Body

All staff adhere to the school procedures for purchasing items, as laid down in the School’s Staff Handbook, paying regard to value for money at all times. The Headteacher authorises all orders and invoices prior to payment.

As a matter of good practice, orders over £1,000 have three quotations sought.

Where the school purchases large items, we adhere to the procedure for Spending the Council’s Money as laid down in the Scheme for Financing Schools:

www.kent.gov.uk/publications/business/spending-councils-money.htm

In summary:

- For orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Finance Monitoring Pair for approval and report to the Full Governing Body. For orders between £5,000 - £8,000 the Finance Monitoring Pair will determine if it is appropriate to obtain 3 quotes
- For orders of £50,000 or over, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval

All of the above will be minuted at the appropriate Governing Body meeting to ensure that the School is seen to be obtaining value for money at all times.

The school does not enter into any Hire Purchase agreements, Finance agreements or Finance Leases as this constitutes borrowing which is not permitted.

3.7 Personnel Matters

At Rolvenden Primary School, at the start of every financial year the **Headteacher** uses a financial planning tool to calculate the salary costs of all members of staff, including increments, where applicable. These details are used by the Finance Monitoring Pair for incorporation into the school budget planning process.

The **Headteacher Appraisal Committee** undertakes an annual review of the Headteacher's salary, and recommends enhancements, if applicable, to the Full Governing Body for approval.

In addition to the LA's official funds, Rolvenden Primary School also operates a school Voluntary Fund, adopting the procedures in the LA's School Voluntary Fund Guidance. We recognise that our School Voluntary Fund is an additional source of income and that the controls over its use need to be as rigorous as for the administration of the school's delegated budget. We have appointed someone who is independent of the school to audit the School Voluntary Fund accounts on an annual basis. This is carried out by KCC finance.

All monies the School Voluntary Fund has are held securely and separately from those of the school budget.
